ARTICLE I

RECOGNITION

Pursuant to the provisions of Chapter 303 of the Laws of 1968, the Franklin Township Board of Education hereby recognizes the Principals' and Vice Principals' Association of Franklin Township as majority representative and as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for the following personnel, whether under contract, on leave, now employed or as may be hereafter employed by the Board:

Principals

Vice Principals

The term "administrator", when used hereinafter in this Agreement, shall refer to all employees in the bargaining unit as above defined, and references to male administrators shall include female administrators.

ARTICLE II

NEGOTIATIONS PROCEDURE

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 303, Public Laws of 1968; such negotiations shall begin not later than December 1, 1969.
- B. Upon request by the Association president, the Board agrees to make known to the president when and where the information is available that the Board is required by law to release.
- C. Neither party to the negotiations shall have any control over the selection of the negotiating representative of the other party.
- D. Except in emergency the Board, through the Superintendent, will consult with the principals and/or their Association on any proposed modification of existing rules, regulations or policies affecting conditions and terms of employment for administrators.
- E. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

ARTICLE III

GRIEVANCE PROCEDURE

- A. A grievance is a claim by a principal or vice principal, a group of principals or vice principals, or the Association (in connection with its rights under this Agreement) based upon the interpretation, application or violation of policies, agreement or administrative decision affecting them. Subject to the applicable provisions of this Agreement, the term "grievance" shall not apply to:
1. Any matter for which an appeal to the State Commissioner of Education is specifically provided under Title 18A of the Education Laws (it being intended by this to guarantee a grievant his right of appeal to the Commissioner), or Rules or Regulations of the State Commissioner thereunder.
 2. Any matter which, according to law, is beyond the power of the Board of Education.
 3. A claim of non-employment by a non-tenure principal or vice principal.

A grievance must be initiated within thirty (30) calendar days after the grievant knew or should have reasonably known of the occurrence of the event giving rise to the grievance.

- B. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. (a) Failure at any step of this procedure to communicate the decision on a grievance to the grievant within a specified time limit shall permit the principal or vice principal to proceed to the next step. Failure at any step of this proceeding to appeal the grievance to the

next step within the specified time limit shall be deemed to be acceptance of the decision rendered at that step.

(b) It is understood that the principal or vice principal shall, during and notwithstanding the pendency of any grievance, perform all assignments and follow all of the rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

D. Levels

1. Level One

Any principal or vice principal who has a grievance shall discuss it first with the Superintendent of Schools, in an attempt to resolve the matter informally at that level.

2. Level Two

If, as the result of the informal discussion, the matter is not resolved to the satisfaction of the principal or vice principal within five working days, he shall set forth his grievance in writing to the Superintendent of Schools, specifying:

- a. The nature of the grievance and the date of the event.
- b. The solution sought.
- c. The result of previous discussion.
- d. Dissatisfaction with decisions previously rendered.

A copy of the grievance shall be promptly forwarded to the Association by the Superintendent. The Superintendent shall communicate his decision, with reasons, to the principal or vice principal within three (3) working days of the receipt of the written grievance.

3. Level Three

If the principal or vice principal is not satisfied with the disposition of his grievance at level two, he may file his grievance in writing with the Board of Education, within five (5) working days after receipt of the decision at level two or ten (10) working days after

submitting the grievance to the Superintendent, whichever is sooner. The grievance shall be submitted in writing to the Board through the Superintendent who shall attach all related papers and forward the grievance to the Board of Education, within three (3) working days. The Board shall review the grievance and render a decision in writing within twenty (20) calendar days of the receipt of the grievance by the Board; if, in the Board's judgment, a hearing is to be scheduled with the principal or vice principal, such hearing shall be held within twenty (20) working days of the receipt of the grievance by the Board, and a decision shall be rendered in writing within ten (10) working days of the hearing.

In the event that the Board determines that a hearing should be held with the principal or vice principal, such hearing shall be scheduled at a mutually reasonable time.

E. Miscellaneous

1. The number of days indicated at each level should be considered as the maximum and every effort should be made to expedite the process.
2. The Board and the Association shall ensure the individual freedom from restraint, interference, coercion, discrimination, reprisals in presenting his appeal with respect to his personal grievance.
3. At level three the decision by the Board shall include a statement of the reasons for the position taken at that level.
4. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives.

F. Rights of Principals and Vice Principals to Representation

1. Any principal or vice principal may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association.
